

TEAM CAMPS / GRADE SCHOOL CAMPS

TEAM CAMPS

A coaching staff may organize and conduct a one-week (six day maximum) camp for their student-athletes at school facilities provided that attendance is voluntary. If a camp of this nature is targeted, then it must be conducted prior to the first regularly scheduled contest in that teams' season.

GRADE SCHOOL CAMPS

Conducting grade school camps is an “everyone wins” situation:

- The campers have fun and receive quality instruction
- Hundreds of kids are exposed to Bishop Chatard
- Your athletic programs receive the same kind of exposure
- Parents are happy to drop off a kid or two for a few hours
- Coaches have an opportunity to make extra money

BCHS does not intend to make money on these camps. Grade school camps should be a zero balance budget item.

All fees collected should be turned in to the Athletic Department within two days of receipt. After all expenses are paid, all remaining funds are paid out in stipends at the camp director's discretion.
