

Practice Packs

The sale of “practice packs” for use by athletic teams is at the discretion of the head coach of each team. The practice packs consist of apparel worn during practice times, or in some instances for games or meets.

The items belong to the athletes once the season is over. Every effort is made to keep the practice packs as economical as possible for the athletes.

Athletes may be asked to participate in fundraising efforts to help subsidize the cost of the practice packs.

Practice pack payment is expected upfront & before the items are distributed.
